NEWS RELEASE

June 11th 2004

TINKA WITHDRAWS FROM SIERRA 1 OPTION AGREEMENT

Vancouver, Canada –Tinka Resources Limited (TSX-TK and Pinksheets-TKRFF) reports that the Company is withdrawing from the option agreement with IMA Exploration Inc over the property known as Sierra 1 in Argentina.

A detailed field reconnaissance of the Sierra 1 property was completed, which included surface mapping, stream sediment and rock chip sampling. No anomalous geochemical values were returned from the samples.

Tinka Resources Limited trades on the TSX Venture Exchange under the symbol: “TK” and is quoted on the Pinksheets under the symbol: “TKRFF”. The Company directors are experienced in the resource sector and are focused on enhancing shareholder value by expanding Tinka’s assets in this sector. Management aims to identify exploration projects of high merit and quickly complete confirmation exploration. This will enable the Company to confirm the potential of a project and reach advanced project status by the most cost effective means and in the shortest time possible.

ON BEHALF OF THE BOARD

Forward Looking Statements

This Company Summary contains certain "forward-looking" statements and information relating to the Company that are based on the beliefs of the Company's management as well as assumptions made by and information currently available to the Company's management.

Such statements reflect the current risks, uncertainties and assumptions related to certain factors including, without limitations, competitive factors, general economic conditions, customer relations, relationships with vendors and strategic partners, the interest rate environment, governmental regulation and supervision, seasonality, technological change, changes in industry practices, and one-time events. Should any one or more of these risks or uncertainties materialize, or should any underlying assumptions prove incorrect, actual results may vary materially from those described herein.

The TSX Venture Exchange has not reviewed and does not accept responsibility for the adequacy or accuracy of this release.
