NEWS RELEASE

November 17, 2010

## TINKA PROVIDES COLQUIPUCRO UPDATE

**Vancouver, Canada - Tinka Resources Limited (the “Company”) (TSXV - TK; Frankfurt - TLD; Pinksheets -TKRFF).** Andrew Carter, President, announces that the application for a modification to the 50 diamond drill hole permit, previously lodged with the Ministry of Energy and Mines (MEM), on the Company's Colquipucro silver property, west-central Peru, has now been reviewed. Several observations were raised by the MEM with respect to this modified application, and the Company has now addressed these questions; a response is anticipated within the next few weeks.

The Company's Qualified Person, John Nebocat (P.Eng.), has reviewed and approved the contents of this news release.

On behalf of the Board,

**“Andrew Carter”**

Andrew Carter, President & CEO

**Forward Looking Statements** This Company Press Release contains certain "forward-looking" statements and information relating to the Company that are based on the beliefs of the Company's management as well as assumptions made by and information currently available to the Company's management. Such statements reflect the current risks, uncertainties and assumptions related to certain factors including, without limitations, competitive factors, general economic conditions, customer relations, relationships with vendors and strategic partners, the interest rate environment, governmental regulation and supervision, seasonality, technological change, changes in industry practices, and one-time events. Should any one or more of these risks or uncertainties materialize, or should any underlying assumptions prove incorrect, actual results may vary materially from those described herein.
