Tinka Announces Non-Brokered Private Placement Financing

Vancouver, Canada - Tinka Resources Limited (the “Company”), (TSXV: TK) (Frankfurt: TLD) (OTCPK: TKRFF), announces that further to a price reservation originally filed with the TSX Venture Exchange filed on December 4, 2012, the Company will undertake a private placement financing of up to 3,000,000 units at a price of \$0.75 per unit (the “Unit”) for gross proceeds of up to \$2,250,000. Each Unit consists of one common share and one-half of one share purchase warrant. Each whole Warrant will be exercisable at a price of \$1.00 per common share for a period of one year from the date of closing of the private placement.

The securities issued under the private placement will be subject to a four-month hold period from the date of closing. The closing of the private placement is subject to, among other things, final acceptance from the TSX Venture Exchange.

The net proceeds of the private placement are expected to be used to advance exploration work on the Company’s Colquipucro project and for general working capital purposes.

A finder’s fee consisting of cash and warrants will be payable on a portion of the private placement.

On behalf of the Board,
