Tinka Closes Private Placement Financing

Vancouver, Canada - Tinka Resources Limited (the “Company”), (TSXV: TK) (Frankfurt: TLD) (OTCPK: TKRFF), announces the closing of a private placement financing (the “Financing”) announced by the Company on April 24, 2013 and May 9, 2013. The Company has raised gross proceeds of \$2,575,725 through the issuance of 3,030,265 units at \$0.85 per unit (the “Units”). Each Unit consists of one common share and one-half of one share purchase warrant (each whole warrant a “Warrant”). Each Warrant entitles the holder to purchase one common share at a price of \$1.25 per common share for a period of eighteen months.

All securities issued under the Financing are subject to a four-month hold period that expires on September 15, 2013.

The net proceeds of the private placement are expected to be used to advance exploration work on the Company’s Colquipucro and Ayawilca projects and for general working capital purposes.

Richardson GMP Limited (“RGMP”) acted as agent on a portion of the Financing placing 1,947,500 Units. In consideration for RGMP’s services, the Company paid a cash fee of \$165,538 and issued 194,750 compensation warrants. Each compensation warrant entitles the holder to purchase one Unit of the Company under the same terms as the Financing Units. In addition, the Company has paid a finder a cash commission of 6% of certain proceeds and issued 7,500 finder warrants, each finder warrant having the same terms and conditions as the Financing Warrants.

The Financing remains subject to final acceptance by the TSX Venture Exchange.
